Fig. 8

Hand-drawn schematic diagram of a device 400. The diagram shows a central vertical component 450. At the top of component 450 is a section labeled 445, which is connected to a horizontal line 415a. This horizontal line 415a is connected to another horizontal line 415b. At the bottom of component 450 is a section labeled 442, which is connected to a horizontal line 423. The device 400 is shown within a rectangular frame 490. The diagram is labeled with various reference numerals: 400, 423, 415a, 415b, 470, 412, 450, 445, 442, and 490.
